Where to decide where to work?

Industry

The key is to think about your interests early in your job search.

//

Potential employers will want to know why you're interested in their company & how you can address their needs. //

LocationTravel

You know!

Ask these ?

- Do you work best in team or yourself?
- Like to have set routine or do you enjoy taking new project & new things?
- Do your values match company's values?
